I'm not sure we can be open to other suggestions. CPG has arranged for the bus to meet us in front of the building. It's not our contract to change.

The plan is in front of 290 Broadway, but we are open to other suggestions.

EPA is holding a meeting in room 27D on February 28 and March 1, 2018, called CSTAG meeting. Attached please find a list of attendees for each day. A representative from EPA, Diane Salkie 212-637-4370, will be in the lobby on both mornings to greet the attendees. The meeting begins at 8:00 am so attendees may be there prior to 8.

On the morning of February 28, after going to room 27D, the group will then meet a bus outside of 290 Broadway at 8:45 am.

Please let me know if you have any questions or concerns.

Thank you,
Diane Salkie
